**SECTION XV**

AWARD OF THE AIR MEDAL (OAK-LEAF CLUSTER)-- By direction of the President, under the provisions of Executive Order No 9158, 11 May 1942 (Bull 25, WD, 1942), as amended by Executive Order No 9242-A, 11 September 1942 (Bull 49, WD, 1942), and pursuant to authority delegated by Headquarters United States Army Strategic Air Forces in letter, file AG 323, subject: "Definition of Administrative Responsibilities", dated 6 August 1945, announcement is made of the award of the Bronze Oak-Leaf Cluster to the Air Medal to the following named officers and enlisted men, organizations indicated:

For meritorious achievement while participating in aerial flights as combat crew members in successful combat missions against the Japanese Empire. All missions were flown under rapidly changing and often-times adverse weather conditions. The flights were subjected to enemy anti-aircraft fire and fighter opposition. There were constantly present difficult navigational problems, danger of engine failure and consequent ditching many miles at sea. Under prolonged periods of physical and mental strain and undaunted by the many hazards faced regularly and continuously, each crew member displayed such courage and skill in the performance of his duty as to reflect great credit on himself and the Army Air Forces.
